Yes they are related, Ensco sold the facility to Clean Harbors years ago, the RCRA number is the same, but I requested a new number for the chlorine release

Nicolas,

I know you are on travel, but I thought if you got a minute maybe you could call me.

Back in January, you requested an SSID for Clean Harbors Eldorado. I did some research, and did find it had a RCRA #.

ARD069748192 CLEAN HARBORS EL DORADO 309 AMERICAN CIRCLE, EL DORADO, AR 71730 UNION 4 (SSID A6GM)

When there is an existing RCRA #, we use that in place of the generated CERCLIS ID that is assigned when first entering into CERCLIS. When I entered the RCRA # for Clean Harbors, I got an error notice that that ID already exist.

ARD069748192 ENSCO (Energy Systems Company) – SSID 0609.

Are these two site related? We have a FOIA we are trying to process, and I need to resolve this issue ASAP.

Please give me a call if you have time at 214.274.8813.

Thanks Nicolas
